PART 1: HOUSING ELEMENT

INTRODUCTION

The need to provide a realistic opportunity for the construction of affordable housing in New Jersey, the country's densest state, has been recognized for decades. In the case of Southern Burlington County NAACP v. the Township of Mount Laurel, (commonly known as Mount Laurel I), the New Jersey Supreme Court established the doctrine that municipalities in New Jersey have a constitutional obligation to zone for a variety and choice of housing types that would be affordable to low- and moderate-income households. In its Mount Laurel II decision, decided on January 20, 1983 (Mount Laurel II), the Supreme Court expanded the Mount Laurel doctrine by determining that each New Jersey municipality was required to create a realistic opportunity for the construction of housing affordable to low- and moderate-income households sufficient to meet its "fair share" of the need for housing. Developing municipalities were required to address a fair share of the regional need for affordable housing.

In response to the threat of "builder's remedy" lawsuits endorsed by the Mount Laurel II decision, the New Jersey Legislature adopted the Fair Housing Act in 1985 (Chapter 222, Laws Of New Jersey, 1985). The New Jersey Fair Housing Act (FHA) established the Council on Affordable Housing (COAH) as an administrative alternative to builder's remedy lawsuits and the concomitant jurisdiction of the courts. COAH was given the responsibility of dividing the state into housing regions, determining regional and municipal fair share affordable housing obligations, and adopting regulations that would establish the guidelines and approaches that municipalities may use in addressing their affordable housing need.

In 2008, the Legislature amended the Fair Housing Act to add requirements for very-low-income housing. Very-low-income households are those in which the gross household income is 30% or less than the region's median household income. Low-income households are those with incomes no greater than 50 percent of the region's median household income. Moderate-income households are those with incomes no greater than 80 percent and no less than 50 percent of the region's median household income. Each is adjusted for household size and is in relation to the median gross income of the housing region in which the municipality is located.

This Housing Element and Fair Share Plan for the Town of Harrison has been prepared in accordance with applicable law. Moreover, the Borough filed a declaratory judgment action pursuant to In re Adoption of N.J.A.C. 5:96 & 5:97 by the N.J. Council on Affordable Housing, 221 N.J. 1 (2015) ("Mount Laurel IV"). In this decision (decided March 10, 2015), the Supreme Court held that since COAH was moribund, trial courts were to resume their role as the forum of first

instance for evaluating municipal compliance with Mount Laurel obligations, and also established a transitional process for municipalities to seek temporary immunity and ultimately a Judgment of Compliance and Repose (“JOR”) or the “judicial equivalent” of Substantive Certification from COAH.

Harrison’s History of Affordable Housing

The Harrison Planning Board adopted a Round 3 Housing Element and Fair Share Plan on December 11, 2008 (“2008 Plan”), and on December 30, 2008 petitioned COAH for substantive certification. The Town was deemed complete on February 19, 2009. Harrison then adopted an amended Round an amended Round 3 Housing Element and Fair Share Plan on October 21, 2009 (“2009 Plan”) under the revised COAH Third Round methodology. Harrison, however, did not received Third Round substantive certification as a large majority of COAH’s Third Round regulations were invalidated by the Appellate Division on October 10, 2010.

In response to Mount Laurel IV, Harrison filed a Declaratory Judgment action, along with a motion for temporary immunity, on July 8, 2015. The Court appointed Christine A. Nazzaro-Coffone, A.I.C.P., P.P., to serve as the Court’s Special Master.

Due to the current uncertainty in the appropriate manner by which to calculate municipal obligations throughout New Jersey, the Town determined that a settlement with Fair Share Housing Center (“FSHC”) was in the best interest of the Town and its residents. Under the supervision of the Special Master, the Town and its professionals entered into negotiations with representatives of FSHC to settle the Town’s Declaratory Judgment action and seek Court approval for an accepted fair share obligation for the Borough. A Fairness Hearing was held on August 23, 2017, at which time the Court approved a draft settlement agreement between the Town and FSHC. The Harrison Planning Board adopted a Housing Element and Fair Share Plan on December 14, 2017 (“2017 Plan”). The Town and FSHC executed a settlement agreement dated November 2, 2018 on November 26, 2018.

Subsequent to the Fairness Hearing and prior to a Compliance Hearing, the Town determined that it would like to amend its Housing Element and Fair Share Plan to include additional provisions for age-restricted affordable housing opportunities. The Town did not “max-out” its age-restricted units in the 2017 Plan and now wishes to do so. The Town and FSHC amended the settlement agreement to represent these changes. As a result, the Town adopted an Amended Housing Element and Fair Share Plan on December 14, 2019. The Town has subsequently made minor amendments to the Plan, incorporated herein. The amended settlement agreement, dated November 12, 2019, was approved by the Town Council and signed by the Mayor on

November 12, 2019 and was signed by Adam Gordon of Fair Share Housing Center at a later date (undated). The amended settlement agreement can be found in Appendix A. The Town seeks from the Court an affirmative declaration of compliance regarding all aspects of its affordable housing obligation.

Planning for Affordable Housing

Pursuant to both the Fair Housing Act and the Municipal Land Use Law (MLUL), municipalities in New Jersey are required to include a housing element in their master plans. The principal purpose of the housing element is to describe the specific, intended methods that a municipality plans to use in order to meet its low and moderate income housing needs. Further, the housing element is meant to demonstrate the existing zoning or planned zoning changes that will allow for the provision of adequate capacity to accommodate household and employment growth projections, to achieve the goal of access to affordable housing for present and future populations. The statutorily required contents of the housing element are:

- a. An inventory of the municipality's housing stock by age, condition, purchase or rental value, occupancy characteristics, and type, including the number of units affordable to low and moderate income households and substandard housing capable of being rehabilitated;
- b. A projection of the municipality's housing stock, including the probable future construction of low and moderate income housing, for ten years, taking into account, but not necessarily limited to, construction permits issued, approvals of applications for development and probable residential development of lands;
- c. An analysis of the municipality's demographic characteristics, including but not necessarily limited to, household size, income level and age;
- d. An analysis of the existing and probable future employment characteristics of the municipality;
- e. A determination of the municipality's present and prospective fair share for low and moderate income housing and its capacity to accommodate its present and prospective housing needs, including its fair share for low and moderate income housing; and
- f. A consideration of the lands that are most appropriate for construction of low and moderate income housing and of the existing structures most appropriate for conversion to, or rehabilitation for low and moderate income housing, including a consideration of lands of developers who have expressed a commitment to provide low and moderate income housing.

DEMOGRAPHIC CHARACTERISTICS

Population

The population trends experienced in Harrison, Hudson County, and the State of New Jersey from 1930 through 2017 are shown below. There were 13,620 residents in Harrison in 2010, which was a decrease of 804 people, or 5.6 percent, from the 2000 population but an increase in population has been seen since 2010. From 1930 to 1960 Harrison experienced a decline in population. This trend reversed, however, in the 1960s and from then until 2000, the population saw a steady increase. Between 2000 and 2010, the Town experienced its first decline in population in 50 years. The population regained approximately half of the population that was lost between 2000 and 2010, rising by 3% in 2013. The population rose again in 2015 by 4.3%. According to the 2013-2017 American Community Survey 5-Year Estimates, the Town experienced an 8.7% percent increase in population between 2015 and 2017. The County experienced a continued decline until the 1990s where from 1990 to 2000 the County experienced its largest growth (10.1%) in 60 years. The State, on the other hand, has continued to grow over the last 80 years.

A significant amount of construction has also occurred in recent years within the Harrison Waterfront Redevelopment Area. Due to the nature of how recently development has come about along the Waterfront, residential construction projects may not appear in the Census and ACS data shown below.

Housing Growth and Projections

For the period between January 2000 and December 2019, the Town issued building permits authorizing the development of 4,358 units, which averages to approximately 229 units per year. The observed increase in multi-family development over the 19-year span is focused in the Town's Waterfront Redevelopment Area.

If the average rate of 229 units per year were to remain relatively constant over the next 10-year period, the Town could expect to see an additional 2,290 residential units authorized by the 2020. External factors such as zoning, redevelopment, environmental constraints, and economic cycles may cause this projection to fluctuate. As detailed in the Fair Share Plan, found in Part 2 of this Housing Element and Fair Share Plan, at the minimum residential development can be expected through the execution of the settlement agreement and the Waterfront Redevelopment Plan.

The Department of Labor collects information on covered employment, which is employment and wage data for private employees covered by unemployment insurance. The tables below provide a snapshot of private employers located within Harrison. The first table reflects the number of jobs covered by private employment insurance from 2007 through 2017. The second table reflects the disbursement of jobs by industry and salaries in 2017.

According to data from the New Jersey Department of Labor and Workforce Development, 2007 saw a modest increase of 6.1%, but 2008 was the period of the most significant growth, wherein 3,492 jobs were covered by unemployment insurance, representing a spike of approximately 54.9%. In the following years, the number of covered jobs has decreased overall, with only slight increases in 2010, 2016 and 2017.

In-Town Establishments and Employees by Industry: 2017

The table below depicts the average annual number of establishments and employees by industry sector that exist within the Town, as grouped by North American Industry Classification System (NAICS). In 2017, the Town had an annual average of 262 private sector establishments employing on average 3,108 persons. Wholesale trade is no longer the predominant private sector employer, as was indicated in 2013. The accommodations and food service sector accounted for approximately 18 percent of the establishments, followed by the health and social services sector at 15 percent, and the manufacturing and wholesale trade sectors, at 12.5 percent and 12.4 percent respectively.

Probable Future Employment Opportunities

The 2017 North Jersey Transportation Planning Authority's forecasts for the Town of Harrison estimate a total of 13,067 employed by 2045, representing an annualized percent employment change of 2.8% between 2015 and 2045.

It is reasonable to presume that future employment opportunities within Harrison will occur through the build out of the Waterfront Redevelopment Area. The construction of the Waterfront Area is ongoing and includes a mix of commercial and residential uses along with the Red Bulls soccer stadium that was completed in 2010, hotels, and a new PATH station. The Harrison Waterfront Redevelopment Plan was last amended in 2012. The Plan encourages future mixed-use development that revitalizes the region and broadens the economic base of the Town.

PART 2: FAIR SHARE PLAN

INTRODUCTION

The following Fair Share Plan (the Plan) details Harrison's present need, prior round obligation (1987-1999), and Third Round need. This Plan proposes mechanisms for which the Town can realistically provide opportunities for affordable housing for moderate-, low-, and very low-income households.

The Town of Harrison is a densely populated urban municipality that has a significant amount of pre-1960 housing (53% of the Town's existing housing stock – See page 14 of this report for more information).

The need for affordable housing in New Jersey is divided into three components:

- *Present Need* – The present need, or rehabilitation share, represents the number of existing housing units that are both deficient and occupied by low- and moderate-income households. This number is derived from review and analysis of housing conditions reported in the U.S. Census and American Community Survey.
- *Prior Round Obligation* – The Prior Round obligation is the cumulative 1987-1999 fair share obligation determined by 2014 COAH report. The First Round and the Second Round are mutually referred to as the "Prior Round."
- *Third Round Need* – July 1, 1999 - June 30, 2025 (which includes what is commonly referred to as the "gap period" (1999-2015) - On January 18, 2017, the Supreme Court issued In Re Declaratory Judgment Actions Filed by Various Municipalities, County of Ocean, Pursuant To The Supreme Court's Decision In In re Adoption of N.J.A.C. 5:96, 221 N.J. 1 (2015) ("Mount Laurel V"), holding that the need for affordable housing that accrued during the gap period (1999-2015) was not present or prospective need under the plain definitions of those terms in the FHA; however, there is an obligation with respect to that period for households that came into existence during that period that must be addressed in the Third Round.

Harrison's affordable housing obligations are as follows per the agreed upon settlement between the Town and Fair Share Housing Center (FSHC):

Rehabilitation Share	155
Prior Round Obligation	30
Third Round	429

The Town has addressed its Rehabilitation, Prior Round, and Third Round obligations per the agreed upon settlement and as detailed in this Plan.

PRESENT NEED

The term Present Need, as used in COAH's Prior Round Rules (N.J.A.C. 5:93), meant the sum of a municipality's indigenous need (the deficient housing units in the municipality occupied by low- and moderate-income households), and the reallocated present need, which is the portion of the housing region's present need that is redistributed to other municipalities throughout the housing region. Under the Prior Round rules, evidence of deficient housing included: year structure was built, persons per room, plumbing facilities, kitchen facilities, heating fuel, sewer service, and water supply.

The Third Round rules reduced the number of criteria used as evidence of deficient housing to three: pre-1960 over-crowded units, which are units that have more than 1.0 persons per room; incomplete plumbing; and incomplete kitchen facilities. This reduction in the number of criteria was found by the Appellate Division to be within COAH's discretion and was upheld in the Supreme Court's decision *In re N.J.A.C. 5:96 & 97*.

The previously discussed Mount Laurel IV decision agreed under the Appellate Division that reallocated Present Need is no longer a component in the determination of the Present Need. Therefore, Present Need now equates only to the indigenous need; the obligation based on deficient housing as determined by pre-1960 over-crowded units, incomplete plumbing, and incomplete kitchen facilities, generated within the Town itself, now refined as the Rehabilitation Share/Present Need.

The agreed upon settlement between the Town and FSHC determined a Present Need of 155 units for Harrison. The following details the methods in which the Town will meet its Present Need obligation. These efforts are sufficient to address the Town's obligation.

Development Fee Ordinance

In conformance with the Town's development fee ordinance that was adopted in 2006, and approved by COAH, developers must pay an affordable housing development fee into the Town's Affordable Housing Trust Fund (AHTF). Monies generated by the development fees will supplement the funds from the County rehabilitation programs detailed below.

The HOME Investment Partnership Program (HOME)

The HOME Investment Partnership Program (HOME) works with communities to provide assistance in funding a wide range of affordable housing projects. The Hudson County Consortium (the "Consortium") for the HOME Program is comprised of eleven municipalities within Hudson County including the Town of Harrison. The Consortium uses the HOME funds to provide assistance of rehabilitation of very low- and low-income units. Through its affirmative

marketing strategies, Harrison will assist residents in accessing the HOME program, as administered by the Consortium. See Appendix B for information on existing projects within Harrison funded in part by HOME. The Town will implement a rental rehabilitation program to supplement the County program.

Community Development Block Grant (CDBG) Program

Hudson County, along with seven of its municipalities, including the Town of Harrison, receives CDBG funds on an entitlement basis as an Urban County Consortium. The County administers the program, which provides funding to communities, non-profits, and public agencies to help address a range of development needs, mainly involving affordable housing projects and developments. The Town will affirmatively market the funding from the Community Development Block Grant (CDBG) program.

PRIOR ROUND OBLIGATION (1987-1999)

Harrison has a Prior Round obligation of 30 units. The following projects and existing zoning address the Prior Round obligation. For locations of all affordable housing, see the attached maps.

Harrison Senior Housing

A 15-unit age-restricted rental affordable housing development was completed in 2014 at 774 Harrison Avenue. Developed by the Domus Corporation, a nonprofit branch of Catholic Charities, the project was funded entirely with subsidies, including \$1.4 million in Hudson County HOME funds, \$333,350 from the Harrison Affordable Housing Trust Fund, and \$1.8 million from the Fund for Restoration of Multifamily Housing (FRM), part of the CDBG program, from the New Jersey Housing and Mortgage Finance Agency. The four-story development consists of three low-income units that are set at 47.5% of the average median income and twelve moderate-income units that are set at 57.5% of the average median income. Of the 15 units, 7 are applied to the Prior Round obligation along with its 2 accompanying bonus credits. All 15 units are deed restricted for a period of 30 years, beginning in 2014. See Appendix C for documentation on this project.

Waterfront Redevelopment Area

In 1997, 250 acres of the former industrial waterfront area in Harrison were designated as an Area in Need of Redevelopment. As part of the Town's comprehensive approach to address its full obligation, the zoning for three parcels within the Redevelopment Area will be revised to include a mandatory affordable housing set-aside.

Site #1

Site #1 is a 4.3-acre portion of Block 86 Lot 1.01, located on the west side of the Redevelopment Area between First Street and Second Street. The Town will amend the Redevelopment Plan to require Site #1 to permit multi-family inclusionary development at a density of 110 units per acre with a required 15% affordable set-aside for family rental units. At this density, the site could generate 473 total units, of which a minimum of 70 would be affordable. Of the 70 affordable family rental units, a minimum of 10 shall be affordable to very low-income households.

Twenty-one (21) units from Site 1 will be used to address the Town's Prior Round obligation.

Existing Senior Housing	-	7 senior affordable units	2 (7 x 0.33)
Redevelopment Area Site 1	4.3 Acres	Proposed density of 110 units per acre = 473 total units 15% set aside = 70 total affordable units Prior Round = 21 units	-
TOTAL		28 Units	2 Bonus Credits
TOTAL CREDITS		30 Credits	

ROUND 3 NEED

Per the agreed upon settlement agreement between the Town and the FSHC, the Town has a Third Round obligation of 429 units. The Town fully satisfies the Third Round obligation through the following sites (see attached maps for locations):

Harrison Senior Housing

The remaining eight (8) units from the age-restricted development at 774 Harrison Avenue will be applied to the Town's Third Round obligation.

Revision to the SAH/SH-Senior Zone and the AH-Affordable Housing Overlay Zone

The Town of Harrison currently has one zone and one overlay that provide a mandatory affordable housing set-aside. The existing SAH/SH Senior and Affordable Housing Zone permits age-restricted development at a density of 50 units per acre with a mandatory 20% affordable set-aside.

The AH Affordable Housing Overlay was implemented in 2009 to "facilitate and encourage the creation of Affordable Housing in the Town of Harrison within portions of the Senior Housing and Industrial zones" (Ordinance Section 17-83). The overlay allows for non-age restricted townhouses and multi-family developments at a density of up to 50 units per acre with a mandatory affordable set-aside of 20%. As an alternative to on-site construction of affordable housing, the current overlay allows the developer to donate land to the Town sufficient for a 100% affordable housing development, containing the minimum number of affordable units which the developer was required to construct on-site.

As a component of the comprehensive approach to address the Town's full obligation, the Town will revise its zoning ordinance to merge the SAH/SH Senior Zone and AH-Affordable Housing Overlay. The overlay option as well as the option to donate land will be eliminated. The new zone, "SH Senior Housing Zone," will permit the construction of age-restricted multi-family and townhouse development at a maximum density of 55 units per acre with a required set-aside of 15% for age-restricted rental projects. The new zone encompasses 12.2 acres that includes the following blocks and lots:

Block	Lot(s)
Block 89	Lots 1, 5, 6, 7, 8, 27, and 33
Block 189	Lot 1
Block 193	Lots 1, 2, 4, 5, 27, and 32
Block 198	Lot 1
Block 199	Lots 1, 5, 9, 13, 19, 20, 21, and 23
Block 202	Lot 1, 13, 17, and 21

At the proposed density, the new zone could produce 671 total units, of which a minimum of 101 affordable age-restricted rental units would be created. The Town will apply 98 of the affordable units to its Third Round obligation. Of the 98 affordable units, at least 14 will be affordable to very low-income households.

It should be noted there are 3 affordable units anticipated to be created from this zone that will not be applied during this round.

Waterfront Redevelopment Area

In 1997, 250 acres of the former industrial waterfront area in Harrison were designated as an Area in Need of Redevelopment. The zoning for three parcels within the Redevelopment Area will be revised to include a mandatory affordable housing set-aside. The Town will utilize the remaining affordable units from Site 1 as well as two additional sites from the Waterfront redevelopment area to address its Third Round obligation:

Site #1

The remaining 49 units from Site #1 will be applied to the Town's Third Round obligation.

Site #2

Site #2 is a 2.8-acre parcel (Block 103 Lot 1) located directly east of Site #1, between Second Street and Third Street. The Town will amend the Redevelopment Plan to require multi-family inclusionary development at a density of 110 units per acre with a required 15% affordable set-aside for family rental units. At this density, Site #2 could generate 308 total units, of which a minimum of 46 units would be affordable family rental. Of the 46 affordable units, at least 6 will be affordable to very low-income households.

Site #3

Site #3 is a 32.7-acre parcel (Block 78 Lot 1) located on the west side of the Redevelopment Area south of the train tracks. The site is owned by PSE&G. The Town will amend the Redevelopment Plan to require 8 of the 32.7 acres of Block 78 Lot 1 to permit multi-family inclusionary development at a density of 100 units per acre with a required 15% affordable set-aside for family rental units. At this density, the 8 acres could generate 800 total units, of which a minimum of 120 units would be affordable family rental. Of the 120 affordable units, at least 16 will be affordable to very low-income households.

ADDITIONAL AFFIRMATIVE MEASURES

100% Affordable Development

The redevelopment of the Holy Cross School, which is no longer being used for a school, is being considered by the Town as an additional affirmative measure. The Town would like to convert the school into a 100% affordable development of approximately 40 to 50 units. It is anticipated the project would be funded with a combination of tax credits and funds from the Town's Affordable Housing Trust Fund. These proposed 40 to 50 units are beyond Harrison's total obligation and can be applied to future obligations.

Veterans Housing

Harrison will support and encourage the construction of affordable housing for veterans.

USE OF SURPLUS UNITS

Any surplus credits generated would be applied to any future obligation that the Town may have.

ADDITIONAL REQUIREMENTS

Very Low-Income Requirement: The Town will ensure that 13% of all of the affordable units, with the exception of units constructed as of July 1, 2008 and units subject to preliminary or final site plan approval prior to that date, will be affordable to very low-income households. Half of the very low-income units will be made available to families.

Rental Bonus Credits: All rental bonus credits claimed in this plan have been applied in accordance with N.J.A.C. 5:93-5.15(d).

Low/Moderate Income Split: At least half of the units addressing the Town's obligation shall be affordable to very-low income and low-income households, and the remaining will be affordable to moderate-income households.

Rental Requirement: At least 25% of the Town's obligation will be met through rental units, and at least half of these units will be available to families.

Round 3 Family Requirement: At least half of the units addressing the Town's obligation will be available to families.

Age Restricted Cap: The Town agrees to comply with COAH's Round 2 age-restricted cap of 25%. The Town is not requesting a waiver to exceed the age-restricted cap.

Spending Plan: The Town will prepare an amended Spending Plan and will ask the Court to approve the amended Spending Plan.

Affirmative Marketing: The individual developers will be responsible to ensure that proper affirmative marketing of all of the affordable units is properly implemented.

UHAC: All affordable units created through the provisions of this Plan shall be developed in conformance with the Uniform Housing Affordability Controls (UHAC) pursuant to N.J.A.C. 5:80-26.1 et seq. or any successor legislation, with the exception of the very-low income requirement as described above.

Re: In the Matter of the Town of Harrison, County of Hudson, Docket No. HUD-L-2879-15

Dear Mr Castano:

This letter memorializes the terms of an agreement reached between the Town of Harrison (the Town or "Harrison"), the declaratory judgment plaintiff, and Fair Share Housing Center (FSHC), a Supreme Court-designated interested party in this matter in accordance with In re N.J.A.C. 5:96 and 5:97, 221 N.J. 1, 30 (2015)(Mount Laurel IV) and, through this settlement, a defendant in this proceeding. This letter agreement amends and restates certain provisions of the Settlement Agreement letter dated December 2, 2018, and therefore supercedes that prior letter.

Background

Harrison filed the above-captioned matter on July 7, 2015 seeking a declaration of its compliance with the Mount Laurel doctrine and Fair Housing Act of 1985, N.J.S.A. 53:27D-301 et seq. in accordance with In re N.J.A.C. 5:96 and 5:97, supra. FSHC and the Town with the assistance of the court-appointed Special Master Christine Cofone, PP, AICP participated in numerous mediation sessions. Through that process, the Town and FSHC agreed to settle the litigation and to present the settlement to the trial court with jurisdiction over this matter to review, recognizing that the settlement of Mount Laurel litigation is favored because it avoids delays and the expense of trial and results more quickly in the construction of homes for lower-income households.

Settlement terms

The Town and FSHC hereby agree to the following terms:

1. FSHC agrees that the Town, through the adoption of a Housing Element and Fair Share Plan that conforms to the terms of this agreement and through the implementation of the Plan and this agreement, will satisfy its obligations under the Mount Laurel doctrine and Fair Housing Act of 1985, N.J.S.A. 52:27D-301 et seq., for the Prior Round (1987-1999) and Third Round (1999-2025).
2. At this time and at this particular point in the process resulting from the Supreme Court's Mount Laurel IV decision, when fair share obligations have yet to be definitively determined, it is appropriate for the parties to arrive at a settlement regarding a municipality's Third Round present and prospective need instead of doing so through plenary adjudication of the present and prospective need.
3. FSHC and Harrison hereby agree that Harrison's affordable housing obligations are as follows:

Rehabilitation Share (per Kinsey Report ¹)	155
Prior Round Obligation (pursuant to N.J.A.C. 5:93)	30
Third Round (1999-2025) Prospective Need (per Kinsey Report, as adjusted through this settlement agreement)	429

4. For purposes of this agreement, the Third Round Prospective Need shall be deemed to include the Gap Period Present Need, which is a measure of households formed from 1999-2015 that need affordable housing, that was recognized by the Supreme Court in its January 18, 2017 decision in In re Declaratory Judgment Actions Filed By Various Municipalities, 227 N.J. 508 (Jan. 18, 2017).
5. The Town's efforts to meet its present need include the following, which is sufficient to satisfy the Town's present need obligation of 155 units: The Town will assist residents in accessing existing housing rehabilitation programs for units occupied by owners and by renters that will be funded as follows:
 - a. Development Fee Ordinance. In conformance with the Town's development fee ordinance that was adopted in 2006, and approved by COAH, developers must pay an affordable housing development fee into the Town's Affordable Housing Trust Fund (AHTF). Monies generated by the development fees will supplement the funds from the County rehabilitation programs, as detailed in paragraphs 5.a and 5.b.
 - b. The HOME Investment Partnership Program (HOME) works with communities to provide assistance in funding a wide range of affordable housing projects. The Hudson County Consortium (the "Consortium") for the HOME Program is comprised of eleven municipalities within Hudson County including the Town of Harrison. The Consortium uses the HOME funds to provide assistance of rehabilitation of very low and low income units, to increase homeownership opportunities for very low and low-income individuals and families, and to increase the supply of affordable rental units. Harrison will address its rehabilitation obligation in part by applying for funding from the HOME program as administered by the Consortium.
 - c. Community Development Block Grant (CDBG) program. The Town will also apply for funds from the Community Development Block Grant (CDBG) program. Hudson County, along with seven of its municipalities, including the Town of Harrison, receives CDBG funds on an entitlement basis as an Urban County Consortium. The CDBG program provides funding to communities, non-profits, and public agencies to help address a range of development needs, mainly involving affordable housing projects and developments. The Town agrees to apply for funding from the CDBG program to subsidize the rehabilitation of substandard units within the Town.

6. As noted above, the Town has a Prior Round prospective need of 30 units, which is met through the following compliance mechanisms:

Compliance Mechanism	Units	Bonus
15-unit senior housing development, 774 Harrison Avenue by Domus Corporation, a nonprofit branch of Catholic Charities (eligible for .33 senior rental bonus)	7 age-restricted affordable units	2
Redevelopment Area Site 1: Inclusionary zoning on Block 86, Lot 1.01, 70 family rental units, 4.3 Acres, of which 21 will meet part of the Prior Round obligation.	Density of 110 units per acre = 473 total units 15% set-aside = 70 total affordable units 21 affordable units applied to Prior Round	-
Total Affordable Units/Bonuses	28	2
Total	30	

7. The Town has implemented or will implement the following mechanisms to address its Third Round prospective need of 429 units, as illustrated in the attached map, Exhibit A, to this agreement:

Compliance Mechanism	Density/units	Rental Bonuses
15-unit senior housing development, 774 Harrison Avenue by Domus Corporation, a nonprofit branch of Catholic Charities	8 age-restricted affordable units	-
SH Senior Housing Zone: Block 89 Lots 1, 5, 6, 7, 8, 27, and 33; Block 189 Lots 1 and 19; Block 193 Lots 1, 2, 4, 5, 27, and 32; Block 198 Lot 1; Block 199 Lots 1, 5, 9, 13, 19, 20, 21, and 23; and Block 202 Lots 1, 13, 17, and 21 This zone provides a realistic opportunity through the provision of a permitted residential density of 55 units per acre. Redevelopment Area Site 1: Inclusionary zoning on Block 86, Lot 1.01, 70 affordable family rental units, 4.3 Acres, of which 49 will meet part of the Third Round obligation.	Density of 110 units per acre = 473 total units 15% set aside = 70 affordable units – Prior Round 21 units 49 affordable units applied to Third Round	49
Redevelopment Area Site 2: Inclusionary zoning on Block 103, Lot 1, 2.8 Acres, 46 affordable family rental units	Density of 110 units per acre = 308 total units 15% set aside =	46

	46 affordable units	
Redevelopment Area Site 3: Inclusionary zoning on part of Block 78, Lot 1, 8 Acres, 120 affordable family rental units	Density of 100 units per acre = 800 total units 15% set aside = 120 affordable units	13
Total Affordable Units/Bonuses	321	108
Total Credits	429	

The current zoning permits affordable housing obligations to be met through the donation of land instead of the provision of on-site affordable housing. Harrison agrees to revise the applicable ordinance in accordance with this agreement to remove the option of providing land instead of on-site units so that the only option for compliance with the affordable housing obligation in this zone will be the provision of on-site age-restricted affordable housing units.

8. The Town will support the development of additional affordable housing that will be developed or created through means other than inclusionary zoning in the following ways:

The Holy Cross School: The Town agrees to adopt the appropriate zoning and if necessary, a Payment In Lieu of Taxes (PILOT) to ensure this project is financially feasible. The Town is not obligated to provide funding for this site in order to meet its Third Round prospective need. In the event subsidies are available to support the development of this site, approximately 50 senior affordable units are anticipated to be developed. These units will be carried forward and credited toward the municipality's future affordable housing obligations in accordance with then-applicable law.

9. The Town agrees to require 13% of all units referenced in this agreement, with the exception of units constructed as of July 1, 2008, and units subject to preliminary or final site plan approval as of that date, to be very low income units, with at least half of the very low income units being available to families. The municipality will satisfy this obligation by ensuring through the adoption of necessary ordinances that all of the developments referenced in this agreement include at least 13% very low income housing.

10. The Town shall meet its Third Round Prospective Need in accordance with the following standards:

- a. Third Round bonuses will be applied in accordance with N.J.A.C. 5:93-5.15(d).
- b. At least 50 percent of the units addressing the Third Round Prospective Need shall be affordable to very-low-income and low-income households with the remainder affordable to moderate-income households.
- c. At least twenty-five percent of the Third Round Prospective Need shall be met through rental units, including at least half in rental units available to families.
- d. At least half of the units addressing the Third Round Prospective Need in total must be available to families.

- e. The Town agrees to comply with an age-restricted cap of 25% and to not request a waiver of that requirement. This shall be understood to mean that in no circumstance may the municipality claim credit toward its fair share obligation for age-restricted units that exceed 25% of all units developed or planned to meet its cumulative prior round and third round fair share obligation.
11. The Town shall add to the list of community and regional organizations in its affirmative marketing plan, pursuant to N.J.A.C. 5:80-26.15(f)(5), Fair Share Housing Center, the New Jersey State Conference of the NAACP, the Latino Action Network, and NAACP Jersey City Branch, Bergen County NAACP, Newark NAACP, and the Supportive Housing Association of New Jersey, and shall, as part of its regional affirmative marketing strategies during its implementation of this plan, provide notice to those organizations of all available affordable housing units. The Town also agrees to require any other entities, including developers or persons or companies retained to do affirmative marketing, to comply with this paragraph.
12. All units shall include the required bedroom distribution, be governed by controls on affordability and affirmatively marketed in conformance with the Uniform Housing Affordability Controls, N.J.A.C. 5:80-26.1 et. seq. or any successor regulation, with the exception that in lieu of 10 percent of affordable units in rental projects being required to be at 35 percent of median income, 13 percent of affordable units in such projects shall be required to be at 30 percent of median income, and all other applicable law. The Town as part of its Housing Element and Fair Share Plan shall adopt and/or update appropriate implementing ordinances in conformance with standard ordinances and guidelines developed by COAH to ensure that this provision is satisfied.
13. All new construction units shall be adaptable in conformance with P.L.2005, c.350/N.J.S.A. 52:27D-311a and -311b and all other applicable law.
14. As an essential term of this settlement, within one hundred and twenty (120) days of this amended Settlement Agreement, the Town shall introduce and adopt a revised Housing Element and Fair Share Plan in accordance with the terms of this settlement agreement and an ordinance or ordinances providing for the amendment of the Town's Affordable Housing Ordinance and Zoning Ordinance to implement the terms of this settlement agreement and the zoning contemplated herein. The Housing Element and Fair Share Plan shall include a chart showing how the Town will meet its overall very low income/low income/moderate income split.
15. The parties agree that if a decision of a court of competent jurisdiction in Hudson County, or a determination by an administrative agency responsible for implementing the Fair Housing Act, or an action by the New Jersey Legislature, would result in a calculation of an obligation for the Town for the period 1999-2025 that would be lower by more than twenty (20%) percent than the total prospective Third Round need obligation established in this agreement, and if that calculation is memorialized in an unappealable final judgment, the Town may seek to amend the judgment in this matter to reduce its fair share obligation accordingly. Notwithstanding any such reduction, the Town shall be obligated to adopt and implement the Housing Element and Fair Share Plan required by this agreement, including by adopting or leaving in place any site specific zoning adopted required by this agreement; taking all steps necessary to support the development of any 100% affordable developments referenced herein; and otherwise fulfilling fully the fair

share obligations as established herein. The reduction of the Town's obligation below that established in this agreement does not provide a basis for seeking leave to amend this agreement or seeking leave to amend an order or judgment pursuant to R. 4:50-1. If the Town prevails in reducing its prospective need for the Third Round, the Town may carry over any resulting extra credits to future rounds in conformance with the then-applicable law.

16. As part of the compliance phase of this litigation, the Town will prepare and file with the court a spending plan. FSHC reserves the right to object to or comment on the spending plan. The parties to this agreement contemplate that the element of the spending plan will constitute a "commitment" for expenditure pursuant to N.J.S.A. 52:27D-329.2 and - 329.3, with the four-year time period for expenditure designated pursuant to those provisions beginning to run with the entry of a final judgment approving this settlement in accordance with the provisions of In re Tp. Of Monroe, 442 N.J. Super. 565 (Law Div. 2015) (aff'd 442 N.J. Super. 563). On the first anniversary of the execution of this agreement, and every anniversary thereafter through the end of this agreement, the Town agrees to provide annual reporting of trust fund activity to the New Jersey Department of Community Affairs, Council on Affordable Housing, or Local Government Services, or other entity designated by the State of New Jersey, with a copy provided to Fair Share Housing Center and posted on the municipal website, using forms developed for this purpose by the New Jersey Department of Community Affairs, Council on Affordable Housing, or Local Government Services. The reporting shall include an accounting of all housing trust fund activity, including the source and amount of funds collected and the amount and purpose for which any funds have been expended.
17. The Town agrees to pay FSHC in the amount of \$2,000.00 within 10 days of the trial court entering an order approving this settlement agreement.
18. On the first anniversary of the execution of this agreement, and every anniversary thereafter through the end of the period of protection referenced in this agreement, the Town agrees to provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to Fair Share Housing Center, using forms previously developed for this purpose by the Council on Affordable Housing or any other forms endorsed by the Special Master and FSHC.
19. The Fair Housing Act includes two provisions regarding action to be taken by the Town during the ten-year period of protection provided in this agreement. The Town agrees to comply with those provisions as follows:
 - a. For the midpoint realistic opportunity review due on July 1, 2020, as required pursuant to N.J.S.A. 52:27D-313, the Town will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its implementation of its Plan and an analysis of whether any unbuilt sites or unfulfilled mechanisms continue to present a realistic opportunity and whether any mechanisms to meet unmet need should be revised or supplemented. Such posting shall invite any interested party to submit comments to the municipality, with a copy to Fair Share Housing Center, regarding whether any sites no longer present a realistic opportunity and should be replaced and whether any mechanisms to meet unmet need should be revised or supplemented. Any interested party may by motion request a hearing before the court regarding these issues.

- b. For the review of very low income housing requirements required by N.J.S.A. 52:27D-329.1, within 30 days of the third anniversary of this agreement, and every third year thereafter, the Town will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its satisfaction of its very low income requirements, including the family very low income requirements referenced herein. Such posting shall invite any interested party to submit comments to the municipality and Fair Share Housing Center on the issue of whether the municipality has complied with its very low income housing obligation under the terms of this settlement.
20. FSHC is hereby deemed to have party status in this matter and to have intervened in this matter as a defendant without the need to file a motion to intervene or an answer or other pleading. The parties to this agreement agree to request the Court to enter an order declaring FSHC is an intervenor, but the absence of such an order shall not impact FSHC's rights.
21. This settlement agreement must be approved by the Court following a fairness hearing as required by Morris Cty. Fair Hous. Council v. Boonton Twp., 197 N.J. Super. 359, 367-69 (Law Div. 1984), aff'd o.b., 209 N.J. Super. 108 (App. Div. 1986); East/West Venture v. Borough of Fort Lee, 286 N.J. Super. 311, 328-29 (App. Div. 1996). Such a fairness hearing took place on August 23, 2017 subject only to the final execution of this Agreement and the parties agree that that fairness hearing provided sufficient process for the court to approve this agreement. In the event the Court approves this proposed settlement, the parties contemplate the municipality will receive "the judicial equivalent of substantive certification and accompanying protection as provided under the FHA," as addressed in the Supreme Court's decision in In re N.J.A.C. 5:96 & 5:97, 221 N.J. 1, 36 (2015). The "accompanying protection" shall remain in effect through July 1, 2025. If the settlement agreement is rejected by the Court at a fairness hearing it shall be null and void.
22. If an appeal is filed of the Court's approval or rejection of the Settlement Agreement, the Parties agree to defend the Agreement on appeal, including in proceedings before the Superior Court, Appellate Division and New Jersey Supreme Court, and to continue to implement the terms of the Settlement Agreement if the Agreement is approved before the trial court unless and until an appeal of the trial court's approval is successful at which point, the Parties reserve their right to rescind any action taken in anticipation of the trial court's approval. All Parties shall have an obligation to fulfill the intent and purpose of this Agreement.
23. This settlement agreement may be enforced through a motion to enforce litigant's rights or a separate action filed in Superior Court, Hudson County. A prevailing movant or plaintiff in such a motion or separate action shall be entitled to reasonable attorney's fees.
24. Unless otherwise specified, it is intended that the provisions of this Agreement are to be severable. The validity of any article, section, clause or provision of this Agreement shall not affect the validity of the remaining articles, sections, clauses or provisions hereof. If any section of this Agreement shall be adjudged by a court to be invalid, illegal, or unenforceable in any respect, such determination shall not affect the remaining sections.
25. This Agreement shall be governed by and construed by the laws of the State of New Jersey.

26. This Agreement may not be modified, amended or altered in any way except by a writing signed by each of the Parties.
27. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute but one and the same Agreement.
28. The Parties acknowledge that each has entered into this Agreement on its own volition without coercion or duress after consulting with its counsel, that each party is the proper person and possess the authority to sign the Agreement, that this Agreement contains the entire understanding of the Parties and that there are no representations, warranties, covenants or undertakings other than those expressly set forth herein.
29. Each of the Parties hereto acknowledges that this Agreement was not drafted by any one of the Parties, but was drafted, negotiated and reviewed by all Parties and, therefore, the presumption of resolving ambiguities against the drafter shall not apply. Each of the Parties expressly represents to the other Parties that: (i) it has been represented by counsel in connection with negotiating the terms of this Agreement; and (ii) it has conferred due authority for execution of this Agreement upon the persons executing it.
30. Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and Schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of both Parties.
31. This Agreement constitutes the entire Agreement between the Parties hereto and supersedes all prior oral and written agreements between the Parties with respect to the subject matter hereof except as otherwise provided herein.
32. No member, official or employee of the Town shall have any direct or indirect interest in this Settlement Agreement, nor participate in any decision relating to the Agreement which is prohibited by law, absent the need to invoke the rule of necessity.
33. Anything herein contained to the contrary notwithstanding, the effective date of this Agreement shall be the date upon which all of the Parties hereto have executed and delivered this Agreement.
34. All notices required under this Agreement ("Notice[s]") shall be written and shall be served upon the respective Parties by certified mail, return receipt requested, or by a recognized overnight or by a personal carrier. In addition, where feasible (for example, transmittals of less than fifty pages) shall be served by facsimile or e-mail. All Notices shall be deemed received upon the date of delivery. Delivery shall be affected as follows, subject to change as to the person(s) to be notified and/or their respective addresses upon ten (10) days notice as provided herein:

Dear Mr. Frese:

I am pleased to advise you that the members of the New Jersey Housing and Mortgage Finance Agency at the public meeting of August 29, 2013 approved a subsidy mortgage loan commitment for construction and permanent financing for the above-captioned project. At the time of the meeting, the mortgage was estimated to be \$1,800,000 at an interest rate of 0% during construction and a 1% interest rate at permanent rollover for a term of 30 years (the "Board Item" attached).

Further, this commitment is subject to the terms and conditions of the Fund for Restoration of Multifamily Housing ("FRM") Program Guidelines dated August 2, 2013, as may be amended and with all applicable federal Community Development Block Grant-Disaster Recovery statutes and regulations, as may be amended from time to time and enclosed herein. Finally, please note that receipt of this mortgage loan commitment is predicated on the application, as approved, accurately reflecting the Project and its financial needs. This award letter shall serve as notice to you that in order to retain such award, you have an affirmative obligation to advise the Agency of any changes to any aspect of the Project, as well as your compliance with all Agency mortgage loan requirements.

Please note that the following special conditions must also be addressed prior to closing:

1. The ability of the Project and the Sponsor to comply with federal tax laws and/or other applicable State and federal statutory and regulatory requirements.
2. Completion of the federal environmental review and receipt by the Agency of an executed "Authority to Use Grant Funds" (HUD 7015.16) or equivalent letter.  8. Releases from all contractors, subcontractors and suppliers indicating that they have been paid in full and, therefore, will not place a lien on the Project, or other assurances or provisions, satisfactory to Agency staff and consistent with Agency first lien requirements, ensuring against the attachment, or otherwise securing the discharge of any construction lien.
 9. The Agency authorizes its staff at its sole discretion to dictate the Construction Draw Schedule of Agency financing based on (1) pro rata apportionment of funds, (2) pari passu distribution or (3) the Agency financing being the last funding source disbursed during the construction period.
 10. Completion of the federal environmental review and receipt by the Agency of an executed "Authority to Use Grant Funds" (HUD 7015.16) or equivalent letter. **REQUEST FOR ACTION BY MEMBERS OF
THE NEW JERSEY HOUSING AND MORTGAGE FINANCE AGENCY**

Action Requested:

1. Approval of a subsidy mortgage loan commitment for an estimated \$1,800,000 in Construction and Permanent financing from the Fund for Restoration of Multifamily Housing ("FRM") Program for a project known as Harrison Senior Housing, HMFA #02756 (the "Project") pursuant to the FRM Program Guidelines.

Issues, Comments and Related Actions:

Pursuant to the authorizing statute of the CDBG program, each activity funded must meet a national objective and be an eligible activity. This Project is eligible because it meets the low/mod income (LMI) housing activity by providing permanent residential structures, which, upon completion, will be occupied by LMI households.

New Issues

It is anticipated that construction will begin in December 2013 and be completed by September 2014.

Prior to the availability of FRM funds the project funding sources included an Agency construction loan, low income tax credit equity (LIHTC), County HOME Funds and Harrison AHTF to complete construction. Since the Sponsor has not been able to secure a Syndicator for LIHTC the project can be completed with FRM funds and the other committed sources.

Prior Board Approval

On June 28, 2012 the Agency Board approved a DOI for construction financing.

Prior to the availability of FRM funds the project funding sources included an Agency construction loan, low income tax credit equity, County HOME Funds and Harrison AHTF to complete construction. Since the Sponsor has not been able to secure a Syndicator for low income housing tax credits costs and construction loan costs the project can be completed with FRM funds and the other committed sources.

The Applicant/Developer

Domus Corporation, located in Newark, New Jersey is the developer and applicant for the project's financing.

Domus Corporation is an affiliate of Catholic Charities of the Archdiocese of Newark. It is a nonprofit housing development corporation founded in 1995. Its mission is to develop affordable housing and provide support services within Bergen, Essex, Hudson and Union counties. They have developed and manage several affordable housing projects in North Jersey, including housing for the homeless, disabled and seniors including Kearny Senior Residence, Kearny, St Mary's Senior Residence, Dumont and Sunrise House, Newark. They have one tax credit project in the Agency portfolio, Bramhall Avenue Apartments, LITC #520.

The Sponsor/Borrower

The applicant for the project's financing will form a limited partnership known as Harrison Senior Urban Renewal, L.P such entity to be called below the "Sponsor" and/or "Borrower". Harrison Senior Urban Renewal, Inc will be the General Partner with a 0.01% interest of Harrison Senior Urban Renewal, L.P. Domus Corporation will be the limited partner and hold a 99.99% interest of the Borrower. The principles of Domus Corporation are Phillip Frese, President and John Westervelt, Vice President/ Treasurer.

Acquisition

On September 6, 2011, Domus Corporation has entered into a Sales and Purchase Agreement with the Town of Harrison for the property Lot 6, Block 50.02. On May 7, 2013 a resolution was passed that extended the contract until October 15, 2013. The Town will convey the property for \$1.00 subject to Domus developing an affordable senior housing project. Domus has assigned the sales agreement to the Borrower.

Per the appraisal report dated February 7, 2013, the land value of the property is \$350,000.

HMFA recognizes the lesser of the appraised value or the purchase price of the realty in the last arm's length transaction. For the proposed project, \$1 is recognized for acquisition costs.

The Project

The proposed Harrison Senior Project is located at 774 Harrison Avenue and when complete will provide 15 units of affordable senior rental units on a 0.1 acre site in a residential neighborhood. Domus plans on developing a four (4) story elevator serviced facility with fifteen (15) one bedroom units designed for very low income and moderate income seniors and frail elderly. The proposed net rents for the apartments range from \$560-705 per month. Fourteen of the proposed 15 living units will meet or exceed 600 sf. A living unit on the first floor at the rear of the building will be 525 sf. The reason for this is reduction in living unit area is to accommodate an exit hallway from the adjacent egress stairway to the outside. The reduction in area still results in a livable 1 bedroom

apartment in terms of furnishability, layout and storage. Exterior windows are consistent with all other living units. Each unit will have a range, refrigerator, and air conditioning. Project amenities include two laundry rooms, a 1,600 square foot community room and garbage/recycling centers on each floor. Onsite services will include: needs assessment and case management, a medical screening program, job training and job placement. For the purposes of the FRM Program financing, the Sponsor must comply with Energy Star requirements.

The project will utilize pre-manufactured wood framed modular construction. This type of construction was utilized for several reasons.

- The site is very tight with very little room for on-site storage or staging of materials.
- The adjacent street, Harrison Avenue, is busy and limiting traffic due to construction activity would be impractical.
- Immediately adjacent to the proposed building is another residential building as well as many other residential buildings on adjacent sites. Modular construction would minimize construction noise and the duration of construction.
- Good quality products both in terms of materials and workmanship.
- All aspects of both green design features and Energy Star requirements can be achieved with the use of 'modular' living unit type construction.

The project is located within walking distance to a retail area, a park, various churches and a food store. The site is also in close proximity to public transportation. The township has agreed to convey the land for a nominal fee and will grant long term tax abatement.

Utilities

The utilities are individually metered and the tenants will be paying for the heat, hot water services provided by gas and all electric services.

Market Analysis

The Town of Harrison has experienced a significant change after the waterfront it was declared an area redevelopment in 1997, including the development of Red Bull Soccer a Stadium a new hotel, market rate development, PATH Station improvements and clean up of former industrial sites. Such obligations shall remain whether or not Borrower has tendered to or deposited with the Agency an amount otherwise sufficient to pay the CDBG Loan, including interest accrued and payable, in full.

c. In addition, CDBG Loan requirements include the obligation of the Borrower to allocate 5% of units to be accessible for persons with mobility impairments, and an additional 2% of units to be accessible for persons with hearing and/or vision impairments.

11. **Timetable:** The timetable for this Project is as follows:

Financing closing date(s):	March 4, 2014
Construction start date:	March 5, 2014
Construction completion date:	January 5, 2015

THE PARTIES AGREE THAT TIME IS OF THE ESSENCE AND THAT ALL CDBG PROCEEDS MUST BE EXPENDED AND CONSTRUCTION OF ALL IMPROVEMENTS MUST BE COMPLETED NO LATER THAN APRIL 29, 2015. THEREFORE, ANY DELAY OF THESE EVENTS WITHOUT THE WRITTEN APPROVAL OF THE AGENCY IS A CONDITION THAT MAY LEAD THE AGENCY TO SUSPEND OR TERMINATE THIS LOAN AGREEMENT AND/OR RECAPTURE THE CDBG FUNDS. THE BORROWER SHALL IMMEDIATELY NOTIFY THE AGENCY IN WRITING WITHIN TEN DAYS OF ANY EVENT AFFECTING THE PROJECT'S IMPROVEMENTS COMPLETION, TIMETABLE, AND/OR FINANCING. FAILURE TO MEET THE ABOVE TIMETABLE MAY RESULT IN AN EVENT OF DEFAULT AS SET FORTH IN SECTION 24 HEREIN AND THE AGENCY'S EXERCISE OF ITS REMEDIES SET FORTH IN SECTION 25 OF THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO, RECAPTURE OF ALL CDBG FUNDS COMMITTED TO THE PROJECT.

- 12. Construction of Project and Determination of Actual Project Cost.** The Borrower covenants, warrants and agrees to diligently proceed with the construction/rehabilitation of the Project in accordance with the Plans and Specifications for the Project as approved by the Agency.

No substantial revision of the approved Plans and Specifications, which revision would either (a) affect the nature of the Project as described in Section 3 of the Mortgage, or (b) in the aggregate increase the cost of the Project as shown on the Project Development Budget, may be made without the prior express written consent of the Agency. Construction of the Project shall at all times be subject to the inspection, review and approval of the Agency or its duly authorized representatives. Any such inspection, review or approval of the Agency shall be solely for its benefit for the purpose of assuring that the programs and goals of the Agency and the CDBG Program are being fulfilled and shall not be construed as making the Agency a party to any contract to which it is not already in connection with the construction of the Project, nor shall it relieve the Borrower of any of its obligations under this Loan Agreement, the Mortgage or the Note.

Upon completion of the Project, the Borrower shall certify to the Agency or its designee, successor and/or assign the actual cost of the Project. This cost certification shall be performed by a Certified Public Accountant chosen by the Borrower and approved by the Agency. The cost certification must be independent as defined by the American Institute of Certified Public Accountants. The Borrower shall, promptly upon completion of the cost certification, forward it to the Agency, its designee, successor and/or assign. Costs associated with the preparation of the cost certification shall be borne by the Borrower.

- 13. Termination:** In the event of termination of this Loan Agreement and the other Loan Documents due to an Event of Default of the Sponsor, the Agency, at its sole discretion, may require part or all of the CDBG Loan funds advanced to be returned to the Agency within 90 days of the date of termination or as otherwise required by USHUD; however, the Sponsor agrees that even in the event of such termination, all affordability restrictions created hereunder shall continue in full force and effect for the full Affordability Period as set forth in Section 10 hereof.

14. Use of Funds and Method of Payment: Funds provided for under this Loan Agreement will be used only for the purposes described in the Agency form 10, or as otherwise approved by the Agency.

- A. The Agency may establish a dedicated, interested-bearing Project escrow account for any or all CDBG Loan proceeds (the "Escrow Account") and disburse all payments from this account. All interest that accrues on the funds deposited in the Escrow Account must remain in that account and will be returned to the Agency, if applicable.
- B. The following items must be submitted to the Agency to begin drawdowns:
- 1) Original, executed Note;
 - 2) Copy of the executed Mortgage;
 - 3) Copy of this executed Loan Agreement;
 - 4) Proof from the Sponsor of all required insurances as outlined in this Loan Agreement, the Mortgage and the Note and as further required by the Agency and/or the Department;
 - 5) Completed requisition AIA G702/G703 forms for CDBG funds, with continuation sheets, to be signed by the Architect of record unless otherwise approved by the Agency;
 - 6) Certification of compliance with the provisions of the CDBG Mortgage Addendum.

Approved draws on CDBG Loan proceeds under this Loan Agreement are to be paid by the Agency within fifteen (15) business days of the Agency's receipt of each requisition and shall be paid in accordance with the following process, or as may be otherwise authorized, in writing, by the Agency:

- 1) Draws should be made in accordance with the attached Draw Schedule, and in accordance with the Schedule of Values or Trade Payment Breakdowns, unless otherwise approved by the Agency.
- 2) For each draw, the Agency shall require a completed CDBG Form of Requisition, along with any back-up documentation, as required. Additionally, a copy of the CDBG Requisition Form shall be sent to the Construction Lender or Lead Lender simultaneously with the submission to the Agency. A copy of any requisition submitted to the Construction Lender or Lead Lender shall also be sent simultaneously to the Agency.
- 3) For each draw, the Agency shall request a construction rundown search from the Title Company retained on behalf of the Project. Upon notice from the Title Company that there are no encumbrances against the title except as may be expressly approved by the Agency, and review of such rundown by the Agency, checks shall be issued to the designated vendors as authorized by the Sponsor, unless otherwise agreed upon, in writing, by the Agency and the Sponsor.
- 4) The Sponsor will submit to the Agency the final development-cost audit and a certificate of occupancy for all of the units constructed/rehabilitated on the Mortgaged Premises, along with

satisfying the Agency's document checklist requirements for final mortgage close-out.

5) Additionally, the following items are required to be submitted to the New Jersey Green Homes Office in connection with the NJAG program:

- Job/Site meeting minutes to date;
- Final Energy Star inspection reports;
- Proof of Energy Star certification (Energy Star certificate);

- Upon request, Sponsor to provide copies of invoices for NJAG funded materials or systems and copies of any certifications such as FSC or Smartwood chain of custody certificates;
- New Jersey Green Homes Office Fuel Release form from each tenant household.

15. **Use of Insurance Proceeds:** The Sponsor covenants and agrees to cause the buildings on the Land and any improvements thereto and the fixtures and articles on the Land and any improvements thereto (and the fixtures and articles of personal property covered by the Mortgage to be insured against loss by fire and by such other hazards as may be required by the Agency or its successors and/or assigns for the benefit of the Agency, as approved by the Agency and in accordance with the current Agency insurance requirements. Such insurance shall be written by such companies, in such amounts and in forms as are satisfactory to the Agency. The Sponsor will assign and deliver the certificates of insurance along with the insurance policies to the Agency. Such policies shall provide that the insurer may not cancel the policy and will not refuse to renew the policy except after thirty (30) days written notice to the Agency. If the Agency shall not receive evidence satisfactory to it of the existence of effective insurance coverage as required by the Agency, the Agency may (but shall not be required to) obtain such coverage, and the Sponsor will reimburse the Agency, on demand for any premiums paid for insurance procured by the Agency, and until so reimbursed, the amount of such premiums shall be added to the principal of the Note and bear interest at a rate equal to the yield rate on a 30-year U.S. Treasury bond at the time of making of such payment(s) by the Agency.

In the event of substantial damage to the Project by the occurrence of an insured casualty or the taking of a substantial portion of the Project by condemnation, if, in the sole judgment of the Agency (which judgment shall be conclusive), (a) the Project can be replaced or restored in whole or in part to a condition at least comparable to that of the Project immediately prior to the insured casualty or taking, and (b) the Project as so replaced will produce sufficient income to meet the then obligations of the Sponsor under the Mortgage and the Note, the proceeds of insurance or condemnation, if sufficient, to the extent necessary for the purpose, shall be made available to the Sponsor upon satisfaction by the Sponsor of the conditions precedent to disbursements, for such replacement or restoration. To the extent the Project is not replaced or restored, such proceeds shall be applied to the indebtedness secured hereby after payment of fees and

charges due and payable (as defined and provided for in the Mortgage). Nothing in this Section shall affect the lien of the Mortgage or the liability of the Sponsor for payment of the entire balance of the Mortgage indebtedness.

16. **Liens:** The Sponsor covenants, warrants and agrees to maintain its right, title and interest in the Mortgaged Premises (including the Project and Land) and all items enumerated in Section 5 of the Mortgage free and clear of all liens and security interests except the liens of the Mortgage, and the liens of other mortgagees described in Section 3 of the Mortgage and those exceptions identified and set forth in a certain title commitment issued by First American Insurance Company numbered NJFA13-0309 and dated December 4, 2013, as approved by the Agency. The Agency shall be furnished with a current standard ALTA form of title insurance policy with extended coverage, insuring that the Mortgage is a valid first lien on the Land and Project. Prior to any disbursement under this Loan Agreement and the Mortgage, the Sponsor shall provide evidence satisfactory to the Agency of the recording of the Mortgage. Except with the written consent of the Agency, the Sponsor will not install any item of tangible personal property as a part of the fixtures or furnishings of the Project that is subject to a purchase money lien or security interest.

17. **Encumbrances and Sale of Project:**

- a. The Sponsor covenants, warrants and agrees not to sell, lease or otherwise encumber the Mortgaged Premises, or any part thereof, or the rents or revenues thereof without the prior written consent of the Agency, except by leasing to eligible residential tenants.
- b. The Agency may allow certain "permitted encumbrances" on the Mortgaged Premises, which means (i) utility, access and other easements and rights of way, restrictions and exceptions that do not, individually or in the aggregate, materially impair the utility or value of the property affected thereby for the purposes for which it is intended; (ii) liens for taxes at the time not delinquent, (iii) liens for taxes which, if delinquent, are being contested in good faith and for which the Sponsor has provided security satisfactory to the Agency, (iv) liens superior to or subordinate to the lien of the Mortgage securing any monies loaned in connection with the Project or other monies loaned to the Sponsor by the Agency and any department, agency, public corporation or commission of the United States, the State of New Jersey or a political subdivision of the State of New Jersey.
- c. The Sponsor acknowledges and agrees that failure by the Sponsor to comply with Loan Agreement stipulations, standards, or conditions may give the Agency just cause to suspend this Loan Agreement and withhold further payments, prohibit additional obligations of Project funds pending corrective action, disallow all or part of the cost associated with the noncompliance, terminate this Loan Agreement or seek any other remedies that may be legally available.

18. **Inspection:** The Sponsor covenants, warrants and agrees to permit the Agency, its agents or representatives, to inspect the Mortgaged Premises at any and all reasonable times with or without notice.

19. **Statutory Powers and Restrictions:** The CDBG Loan provided for herein shall be subject to statutory and regulatory restrictions contained in the Act and accompanying regulations and guidelines, and in connection therewith the Agency shall have the powers set forth in the Act as have been delegated by the Department, and the Sponsor hereby consents to such restrictions and powers and agrees to be bound thereby. Such powers and restrictions shall be in addition to and not in limitation of the rights of the Agency expressly set forth in the Loan Documents and in the statutes and regulations of the Agency.) The Borrower covenants and agrees to comply with the CDBG rules, regulations, and guidelines. If any provision of this Loan Agreement shall be determined to be inconsistent with the CDBG Program rules, regulations and guidelines that have not been waived, the CDBG Program rules shall govern. The CDBG Program specifically requires that the Sponsor adhere to the requirements set forth in the CDBG Mortgage Addendum for the improvement work to be done at the Project, and such provisions are incorporated herein. In addition, the Parties confirm the following understandings:

- (a) The Agency and the Sponsor hereby declare their understanding and intent that the burden of the covenants, reservations and restrictions set forth in this Agreement touch and concern the Land in that the Sponsor's legal interest in the Project and Land is rendered less valuable thereby. The Agency and the Sponsor hereby further declare their understanding and intent that the benefit of such covenants, reservations and restrictions touch and concern the Project and Land by enhancing and increasing the enjoyment and use of the Project and the Land by the tenants, contemplated under this Agreement and by furthering the public purposes for which the CDBG Loan is made. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project and Land. Except as provided in subsection (b) below, the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and hereof and shall pass to and be binding upon the Sponsor's assigns and successors in title to the Land or Project. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or the Land or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Project or Land are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Project and Land.
- (b) Upon termination of the "Affordability Period" set forth in Section 10 of this Agreement, the said covenants, reservations and restrictions shall expire and in such event, the Agency shall, at the expense of the Sponsor, execute any and all instruments reasonably required to evidence the record of cancellation or discharge of the aforesaid covenants, reservations and restrictions.
- (c) All terms and conditions of the attached CDBG Addendum are true and correct, and Borrower, its agents, licensees, invitees, contractors, architects, subcontractors and all other parties involved with the Project

shall comply with the terms in the Addendum before, during and after completion of the Project. A violation of the Addendum shall constitute a default under the Loan Documents and shall entitle the Agency to immediately declare the Mortgage due and payable.

20. **Energy Star:** All project owners must participate in the Agency's Energy Star program.
21. **Accounting in Event of Default:** Upon the occurrence of an Event of Default and within five (5) business days of demand therefor by the Agency, the Sponsor will furnish to the Agency in writing a statement of the principal amount remaining due on the Note together with a statement of any defenses which may exist as to any liability of the Sponsor under the Loan Documents.
22. **Personal Liability:** The Agency agrees, on behalf of itself and any future holder of this Loan Agreement, the Note and the Mortgage, that the liability of the Sponsor, any general or limited partner, member or shareholder of the Sponsor and their respective heirs, representatives, successors and assigns, for the payment and performance of its obligations hereunder and under the Note and the Mortgage, shall be limited to the collateral pledged under the Mortgage and that the Agency shall have no right to seek a personal judgment against the Sponsor, any general or limited partner, member or shareholder of the Sponsor or their respective heirs, representatives, successors and assigns, individually, but shall look only to such collateral for the payment and performance of such obligations; provided, however, that the Agency shall retain the right to exercise any and all remedies granted to it under the Loan Documents. The foregoing limitation of liability shall not apply to any party to the extent such party has committed fraudulent, criminal or other unlawful acts.
23. **Assignment by the Agency:** The Sponsor hereby consents to any assignment of the CDBG Loan and the Loan Documents by the Agency.
24. **Defaults:** Each of the following shall be an Event of Default:
 - (a) failure of the Sponsor to pay when due any installment of principal or interest on the CDBG Loan or any other payment required by the Sponsor to the Agency or any other person pursuant to the terms of the Loan Documents;
 - (b) commission by the Sponsor of any act prohibited by the terms of the Loan Documents, failure by the Sponsor to perform or observe in timely fashion any action or covenant required by any of the terms of the Loan Documents, or failure by the Sponsor to produce satisfactory evidence of compliance therewith;
 - (c) the filing by the Sponsor under any federal or state bankruptcy or insolvency law or other similar law of any petition in bankruptcy or for reorganization or composition with creditors or the making of an assignment for the benefit of creditors;
 - (d) the filing against the Sponsor under any federal or state bankruptcy or insolvency law or other similar law of a petition seeking the Sponsor's adjudication as a bankrupt or the appointment of a receiver or other custodian

for the benefit of its creditors which shall not be dismissed within thirty (30) days of the filing thereof, or the adjudication of the Sponsor as a bankrupt, or the appointment by court order of a custodian (such as a receiver, liquidator or trustee) of possession of the Sponsor or any of its property for the benefit of its creditors and such order remains in effect or such possession continues for more than thirty (30) days;

- (e) the occurrence of substantial destruction of the Project by an uninsured casualty;
- (f) any representation in conjunction with the CDBG Loan, the Loan Documents or the Project by or on behalf of the Sponsor that is false or misleading in any material respect or any covenant or warranty of the Sponsor that is breached;
- (g) any breach by the Sponsor of its obligations or any failure to observe its covenants under any superior mortgage or note that results in an event of default thereunder, or the Sponsor's failure to observe the covenants as contained in any deed restriction associated with such superior mortgage or note, if applicable;
- (h) failure to obtain or retain the Agency Financing, if applicable;
- (i) failure to obtain or retain Tax Credits, if applicable;
- (j) failure to expend CDBG funds by April 29, 2015; or
- (k) use of CDBG funds for a use not permitted by Act, Rules and Guidelines; or
- (l) violation of the provisions of the CDBG Mortgage Addendum.

An event set forth in subsection(g) of this Section shall not constitute an Event of Default until the prohibited act, failure to perform or observe, or breach shall remain uncured for a period of thirty (30) days after Agency's written notice to Sponsor, specifying such prohibited act, failure or breach and requesting that it be remedied, unless the Agency shall agree in writing to an extension of such time prior to its expiration, and further so long as the event does not trigger a breach of the CDBG Program. If the prohibited act, failure, or breach stated in each notice is correctable but cannot be corrected within the 30 day period, the Agency may consent to an extension of up to 120 days from the delivery of the written notice referred to herein if corrective action is instituted by the Sponsor within the initial 30 day period and diligently pursued. The Agency will, simultaneously with sending to the Sponsor any notices under this Section send a copy of the aforementioned notices to the Sponsor's limited partner. To the extent the Event of Default is curable, a cure tendered in full, pursuant to the terms and conditions of this Loan Agreement and the other Loan Documents, by the Sponsor's limited partner shall be honored by the Agency.

Within five (5) business days of receiving notice from the Agency that it believes an Event of Default has occurred with respect to the Project, time being of the essence, the Sponsor shall furnish to the Agency, HUD and DCA, in writing, a statement of any defenses which it claims may exist as to any liability of the Borrower hereunder.

25. **Remedies:** Upon the occurrence of any Event of Default, the Agency, subject to any superior mortgages(s), may, at its option, take any one or more of the following actions or remedies and failure to exercise any remedy or take any action enumerated shall not constitute a waiver of such right or preclude a subsequent exercise by the Agency of any such remedy:

- a. Rescind any CDBG Funds if not expended by the Construction Completion Date as described in Section 11 hereof;
- b. declare the entire principal sum of the CDBG Loan, together with all other liabilities of the Sponsor under the Note and the Mortgage, to be immediately due and payable;
- c. cease making disbursements to the Sponsor or withhold or suspend, in whole or in part, funds awarded under the program or recover misspent funds following an audit;
- d. apply any reserves held by the Agency or the balance in the accounts for Project disbursements and revenues, or any combination of these moneys, to the payment of the Sponsor's liabilities hereunder;
- e. foreclose the lien of the Mortgage on the Mortgaged Premises. In any action to foreclose, the Agency shall be entitled to the appointment of a receiver of the rents and profits of the Project as a matter of right and without notice, with power to collect the rents, uses, and profits of the Project, due and becoming due during the pending of the foreclosure suit, such rents and profits being hereby expressly assigned and pledged as additional security for the payment of the indebtedness secured and evidenced by the Loan Documents without regard to the value of the Project or the solvency of any person or persons liable for the payment of the mortgaged indebtedness. The Sponsor, for itself and any subsequent owner, hereby waives any and all defenses to the application for a receiver as set forth above and hereby specifically consents to such appointment without notice, but nothing herein contained is to be construed to deprive the holder of the Mortgage of any other right, remedy or privilege it may now have under the law to have a receiver appointed. The provisions for the appointment of a receiver of the rents and profits and the assignment of such rents and profits, is made an express condition upon which the CDBG Loan hereby secured is made. Upon such foreclosure, the Agency shall have the right to have a receiver appointed for the Project and the rentals from the Project;
- f. take possession of all or part of the Mortgaged Premises, subject to rights of permitted superior lienholders;
- g. without judicial process, collect all rents and other revenue including federal and state subsidies as the agent of the Sponsor (which upon the occurrence of any Event of Default the Agency is deemed to have been irrevocably appointed by the Sponsor), and apply them at the Agency's option to the liabilities of the Sponsor under this Loan Agreement;

- h. take possession of equipment, appliances and other tangible personal property in which a security interest has been granted by the Loan Documents and dispose of the same in any commercially reasonable manner. The Agency shall have the option to dispose of any such equipment and personal property either separately from the Mortgaged Premises or in conjunction with a sale of the Mortgaged Premises, and the Sponsor agrees that either method of disposition shall be commercially reasonable; and/or
- i. sue the Sponsor for a mandatory injunction or other equitable relief requiring performance by the Sponsor of any of its obligations under the Loan Documents. The Sponsor agrees with the Agency that the Agency's remedy at law for the violation or the nonperformance of the Sponsor's obligations under the Loan Documents is not adequate by reason, among other things, of the Agency's public purpose to provide adequate, safe and sanitary dwelling units for families of low and moderate income; and/or
- j. If the event constitutes a violation of the CDBG Program to the extent that the Agency is required to refund monies disbursed to the Borrower back to DCA/HUD/the Federal Government, then the Borrower shall be responsible for refunding such monies to the Agency.

Notwithstanding the above enumeration of remedies, the agency shall have available to it any remedies provided to it by law.

26. Expenses Due to Default: All reasonable expenses (including reasonable attorney's fees, costs and allowances) incurred in connection with an action to foreclose the Mortgage or in exercising any other remedy provided by the Loan Documents, including the curing of any Event of Default, shall be paid by the Sponsor, together with interest at a rate equal to the yield rate on a 30-year U.S. Treasury bond at the time of making of such payment(s) by the Agency. Any such sum or sums and the interest thereon shall be a further lien on the Mortgaged Premises and shall be secured by the Mortgage.

27. Amendments, Notices, Waivers:

- a. This Loan Agreement may be amended only by an instrument in writing executed and acknowledged on behalf of the Agency and the Sponsor in such manner that the instrument may be recorded. No waiver by the Agency in any particular instance of any Event of Default or required performance by the Sponsor and no course of conduct of the Parties or failure by the Agency to enforce or insist upon performance of any of the obligations of the Sponsor under this Loan Agreement or the other Loan Documents at any time shall preclude enforcement of any of the terms of this Loan Agreement or the other Loan Documents thereafter.
- b. Any provision of this Loan Agreement and the other Loan Documents requiring the consent or approval of the Agency prior to the taking of any action or the omission of any action requires such consent by the Agency in writing signed by a duly authorized officer of the Agency. Any such consent or approval, unless it expressly states otherwise, is limited to the particular action or

omission referred to therein and does not apply to subsequent similar actions or omissions.

- c. Notice provided for under this Loan Agreement and the other Loan Documents shall be given in writing signed by a duly authorized officer and any notice required to be given hereunder shall be given by courier, regular mail, or by certified or registered mail, postage prepaid, return receipt requested, at the addresses specified below, or at such other addresses as may be specified in writing by the Parties hereto:

29. **Disclaimer of Warranties, Liability, Indemnification:**

- a. The Sponsor acknowledges and agrees that (i) the Agency has not heretofore and does not make any warranty or representation, either express or implied as to the value, condition, or fitness for particular purpose or fitness for any use of the Mortgaged Premises or any portion thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Agency or its agents or employees be liable or responsible for any incidental, indirect, special, consequential, or punitive damages in connection with or arising out of this Loan Agreement, the Loan Documents or the development of the Project or the existence, functioning or use of the Project or any items or services provided for in the Mortgage; and (iii) during the term of this Loan Agreement and to the fullest extent permitted by law, the Sponsor shall indemnify and hold the Agency harmless against, and the Sponsor shall pay any and all liability, loss, cost, damage, claims, judgments or expense of any and all kinds or nature and however arising, imposed by law, which the Sponsor and the Agency may sustain, be subject to, or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the Sponsor, or

arising out of the Sponsor's ownership of the Project or out of the development, or management of the Project.

b. It is mutually agreed by the Sponsor and the Agency that the Agency and its directors, officers, agents, servants and employees shall not be liable for any action performed under this Loan Agreement or the other Loan Documents, and that the Sponsor shall hold them harmless from any claim or suit of whatever nature.

c. Any claims asserted against the Agency shall be subject to the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq. (except for N.J.S.A. 59:13-9 thereof) and the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq.

33. **Equal Opportunity and Non-Discrimination:** The Sponsor covenants, warrants and agrees that it will comply with the Agency guidelines with respect to equal opportunity and non-discrimination in its purchase of goods and services for the operation and maintenance of the Project throughout the term of this Loan Agreement.
34. **Applicability and Conflict of Terms and Conditions:** The terms and conditions of this Loan Agreement are applicable for the entire term of this Loan Agreement (as set forth in Section 10 hereof) unless otherwise set forth in this Loan Agreement. In the event of any conflict or inconsistency between the terms and conditions of any of the Loan Documents and this Agreement, the terms and conditions of this Loan Agreement shall prevail, except with respect to the terms contained in the CDBG Mortgage Addendum. Notwithstanding the foregoing, the Sponsor agrees that the Agency may render a decision concerning the intent and/or applicability of any term or condition of the Loan Documents and unless such decision is found to be arbitrary or capricious by a court of competent jurisdiction, the Agency decision shall be final.
35. **Miscellaneous:** Unless the context clearly requires otherwise, as used in this Loan Agreement and the other Loan Documents, words of the masculine, feminine or neutral gender shall be construed to include any other gender when appropriate and words of the singular number shall be construed to include the plural number, and vice versa, when appropriate. The Loan Documents and all the terms and provisions thereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The titles and headings of the sections of this Loan Agreement and the other Loan Documents have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing the Loan Documents or any provisions thereof or in ascertaining intent, if any question of intent shall arise.

Any act of unlawful discrimination committed by Borrower or failure to comply with the following statutory and regulatory obligations when applicable shall be grounds for termination of the Loan and this Addendum or other enforcement action; and Borrower agrees to comply with:

1. Title VI of the Civil Rights Act of 1964 and as amended in 1988, 42 U.S.C. §200d et seq., as amended, and the regulations issued pursuant thereto (24 CFR Part1), which provide that no person in the United States shall on the grounds or race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Project receives federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of federal financial assistance extended to the Borrower, this assurance shall obligate the Borrower, or in the case of any transfer of such property, and transferee, for the period during which the property or structure is used for another purpose involving the provision of similar services or benefits.
2. Architectural Barriers Act of 1968, as amended 42 U.S.C. § 4151 et seq.
3. Title IX of the Education Amendments Act of 1972, as amended 20 U.S.C. §1681 et seq.

- b. Borrower will comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by its execution of this Addendum Borrower certifies that it is under no contractual or other impediment that would prevent it from complying with the part 135 regulations.
- c. The Borrower agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Borrower's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and

applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Borrower will not sub-contract with any sub-contractor where the Borrower has notice or knowledge that the sub-contractor has been found in violation of the regulations in 24 CFR part 135.

- f. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of the Loan, and debarment or suspension from future HUD assisted contracts and loans.

Borrower will further comply with:

- a.
